

Dear applicant,

Thank you for your interest in Speedway Children's Charities (SCC). We look forward to joining you in the mission to help children. SCC provides funds to organizations that meet the needs of children. We can best affect children's lives by supporting organizations that work tirelessly to see that children's needs are met and that no child is left behind regardless of illness, social environment or disability. We are always excited to learn about people like you who share our commitment, and it is our pleasure to offer you the 2021 Grant Application for the New Hampshire Chapter of SCC.

Projects for which grant monies are being requested must directly affect the needs of children. Ineligible categories for funding include:

- Organizations that deny service to a potential client or beneficiary on the basis of race, religion, sex, sexual orientation, age, national origin or disability
- Individuals
- Sponsorship for conferences, events, golf tournaments
- Development or production of books, films, videos or television programs
- Capital funding campaigns
- Vehicle purchases
- Construction or remodeling of buildings
- Start-up organizations with less than one year of operation
- Individual schools in public school systems (other than through efforts to benefit system-wide programs and initiatives)
- Religious organizations, unless they are engaged in a significant project that is nonsectarian and benefits a broad base in the community

Due to the large volume of requests, Speedway Children's Charities is unable to issue a grant to every organization that applies. Applicants should understand that a declined proposal is not a reflection of the organization or program.

Completed applications must be received by Aug. 31, 2021. Physical or printed applications will not be accepted. Absolutely no exceptions will be made.

Determinations will be made by the New Hampshire Board of Directors in November, and you will be notified in writing by the end of that month. Grants are distributed at our annual Grant Distribution Ceremony in December. Organizations accepting funds from Speedway Children's Charities are required to complete the Annual Budget & Evaluation Form, detailing the project outcome and project expenses. We also require that groups acknowledge our commitment by including our name or logo on any printed material, website or signage pertaining to our sponsored project/program.

If you have any questions regarding the content of the proposal, please call or email Director of the New Hampshire Chapter of Speedway Children's Charities Danielle Cyr at (603) 513-5707 or DCyr@NHMS.com.

Best wishes,

Project Evaluation Form

When Speedway Children's Charities awards a grant, we hope the grant will have a positive impact on children in our community. This report is our primary opportunity to measure the achievements of the projects we support, and we use your results and feedback to determine where our funds have the best effect on children's lives and what types of programs are best suited to our goals.

We are aware that your project may still be in progress, but we ask that you briefly answer the questions as they apply to your program up to this point. We are not only interested in what contributed to the success of your project, but also the challenges you face in reaching your ultimate goal. If you require additional assistance, please contact Danielle Cyr at (603) 513-5707 or DCyr@NHMS.com.
