

**FAQs:**

*Is the event rain or shine?*

Light rain, yes! Downpour, no. We'll reach out to participants if weather will affect the event as it gets closer.

*Is the event good for teens?*

Yes! This mini-session is a great opportunity for licensed? teens (16+) to strengthen their handling skills, and learn how to maneuver while maintaining control.

*Do I need a special type of car?*

Nope! Our expert instructors have experience with nearly every type of vehicle, and will offer a free safety tech inspection prior to the course.

*Will my car be damaged?*

As long as your car is in good working order and drivers adhere to safety protocol, it's unlikely your car will sustain damage on the course.

*Is autocross safe?*

If done correctly, yes! The course is created with cones, meaning there's nothing in the vicinity to hit. Although, enough cones down will dock time off your final score!

*Are helmets provided?*

Yes, participants can bring their own, or borrow one of ours.

*Can I bring a passenger?*

No passengers, but family and friends are welcome to watch you on the sidelines!

*Will we drive on the race track?*

During this time, the road course will be undergoing a repave and will not be accessible. The autocross driving course will be located on the paddock surface, behind the Main Grandstand.

*Are spectators free?*

Yes.

*Can I purchase a registration as a gift?*

Yes, just as long as the recipient is a licensed driver over 16 years old. Please register with their name, but your contact information if you'd like to keep it a surprise (we email confirmation after purchase). Drive For Charity makes a great gift for someone in need of more experiences, and less stuff!
