

Dear Applicant:

Thank you for your interest in Speedway Children's Charities regarding funding for your project. As you may know, we are a foundation dedicated to helping children. We produce and coordinate various events throughout the year to raise funds to distribute to worthy children's organizations; therefore, it is our pleasure to offer you the 2021 Bristol Speedway Children's Charities Grant Application.

It is our desire to meet the medical, educational, and social needs of all children. You are eligible to apply for funding from Speedway Children's Charities if you are an existing 501(c)(3) non-profit charity whose primary focus is children. We serve the counties of Carter, Greene, Hamblen, Hancock, Hawkins, Johnson, Sullivan, Unicoi, and Washington in Tennessee; and Buchanan, Dickenson, Lee, Russell, Scott, Smyth, Tazewell, Washington, and Wise Counties in Virginia.

Projects for which grant monies are being requested must directly affect the needs of children. Ineligible categories for funding include:

- Organizations that deny service to a potential client or beneficiary on the basis of race, religion, color, sex, sexual orientation, age, national origin
- Individuals
- Sponsorship for conferences, events, golf tournaments
- Construction of buildings or remodeling projects
- Purchase of vehicles
- Capital funding campaigns

Due to the large volume of requests, Speedway Children's Charities is unable to grant every proposal. Applicants should understand that rejection of a proposal in no way suggests rejection of the organization. Charities who are awarded grants should not consider these funds as part of their annual budget.

Speedway Children's Charities will consider one grant request per federal Tax ID number each year. If your non-profit has more than one organization functioning under the same Tax ID number, we ask that you select one organization to apply for funding.

**The application must be submitted by the deadline of Sunday, August 1, 2021. Physical or printed applications will not be accepted.**

The Speedway Children's Charities Board of Trustees will meet in late-October to make final decisions on awarding grants. At the discretion of the Chapter Director, members of the Board of Trustees may arrange a meeting with officers of specific charities to conduct further investigation after a grant application has been received. You will be notified in writing whether or not your charity will receive funding by early November. Grants are distributed at the Night of Smiles event in November/December 2021 prior to the opening of Speedway In Lights.

If you have any questions regarding the content of the proposal please contact Claudia Byrd, at (423) 989-6974 or email [claudia@bristolmotorspeedway.com](mailto:claudia@bristolmotorspeedway.com). Thank you for your interest in Speedway Children's Charities, we wish you only the best in all your endeavors on behalf of children.

Best Wishes,

Claudia Byrd  
Director of Bristol Chapter

## Speedway Children's Charities Project Evaluation Form

When Speedway Children's Charities awards a grant, we hope that the grant will have a positive impact on children in our community. This report is our primary opportunity to measure the achievements of the projects we support, and we use your results and feedback to determine where our funds have the best effect on children's lives and what types of programs are best suited to our goals.

We are aware that your project may still be in progress, but we ask that you briefly answer the questions as they apply to your program up to this point. We are not only interested in what contributed to the success of your project, but also the challenges you face in reaching your ultimate goal. If you require additional assistance, please contact Claudia Byrd at 423-989-6974 or [claudia@bristolmotorspeedway.com](mailto:claudia@bristolmotorspeedway.com).
