

## Frequently Asked Questions

- How many applications can you submit for the 2020 grant cycle?
  - One for each category: Partners and Founders
- The mission of Speedway Children's Charities has 4 different categories (educational, financial, medical and social), can our grant incorporate more than just one area?
  - Absolutely, just please list which areas you feel your application reaches.
- Can the Founders application and the Partners application be different areas of need within our organization?
  - Absolutely, just make sure that the ask fits within the guidelines of each.
- What is included when you say that you don't fund salaries?
  - Focus on the tangibles. How far would the project get without the salary needed? For example, if a medic is needed to distribute medicine to children at a camp but the bulk of the funds will support the purchase of medical equipment, the medic's pay is accepted.
- What is the age range of children served?
  - Birth to 18 years old.
- What is the timeline of funds used for a Founders grant?
  - The Founders grant will need to have been started within the next fiscal year. (The 2020 Founders grant recipient will need to have started their project by December 2021.)
- What do board members look for within the grant grading process?
  - Founders: How can we make this project a lifelong partnership?
  - Partners: What is the impact/total number of kids reached?
- Are you allowed to apply for funding from another organization while waiting to hear if SCC has granted your application?
  - If it is a smaller project within a larger campaign, yes.
    - Ex: a room within a larger building. You request the room to be supported by SCC but the rest of the building to be supported by other organizations.
  - If you are requesting the same project to be funded, no.
- Are scholarships considered salaries?
  - No they are to serve the children and the services they will be receiving.
- Is remodeling a building considered within a Founders grant capital campaign?
  - Yes.
