Date: February 10, 2026

Time: 9am-11:30am

**Lead from Any Seat: Turning Purpose into Action** is an interactive workshop that empowers participants to recognize their influence—regardless of title—and translate personal and organizational purpose into practical, everyday leadership. Facilitators Jessica Harmon of the Center for Nonprofit Excellence (Virginia) and Tony Murchison of the Tennessee Nonprofit Network will guide participants through reflection, discussion, and hands-on activities that build confidence, ownership, and tools to lead with intention from wherever they are.
